Please place an X next to your meal plan choice.

_____ **Plan 1, Diamond: "Carte Blanche" + \$300 Dining Dollars**

This meal plan is recommended for students who want the maximum amount of freedom and comfort to meet their dining needs. The Diamond plan enables students to enjoy unlimited all-you-care-to-eat dining whenever the Marketplace is open. This plan gives great comfort to parents and students alike as students can eat as much as they want, as often as they want, all semester long. *\$2030/semester*

_____ **Plan 2, Sapphire: "Carte Blanche" (Select Hours) + \$400 Dining Dollars**

A very popular plan, the Sapphire plan is recommended for students who enjoy the freedom and comfort of knowing they have flexibility in where and when they would like to dine. This plan lets students enjoy unlimited all-you-care-to-eat dining at the Marketplace from 10:45am-7:30pm on weekdays plus brunch and dinner on the weekends. *\$1935/semester*

_____ **Plan 3, Ruby: "Carte Blanche" (Select Hours) + \$400 Dining Dollars**

The Ruby plan is recommended for students who like to eat breakfast and lunch at the Marketplace, but prefer to use their Dining Dollars to get food for dinner and in between classes. Students still enjoy the benefits of unlimited all-you-care-to-eat dining from 7:00am-2:00pm on weekdays as well as during brunch on the weekends. *\$1910/semester*

_____ **Plan 4, Block A: 150 "Block" Meals + \$400 Dining Dollars**

The Block A plan includes a specific number of entries into the Marketplace rather than unlimited access during various meal periods like the carte blanche meal plans. The 150 meals may be used any time the Marketplace is open and the Dining Dollars complement the meal blocks by giving students significant purchasing power for dining at on-campus restaurants. *\$1885/semester*

_____ **Plan 5, Block B: 120 "Block" Meals + \$600 Dining Dollars**

The Block B plan includes a specific number of entries into the Marketplace rather than the unlimited access during various meal periods like the carte blanche meal plans. The 120 meals may be used any time the Marketplace is open and the Dining Dollars complement the meal blocks by giving students significant purchasing power for dining at on-campus restaurants. *\$1875/semester*

Meal plans offer **many benefits** to students. While we shop, cook and do the dishes, students can study for exams, sleep just a little bit later, or socialize with friends. A meal plan also reassures parents that their student has easy access to **fresh and healthy food options at every meal** while away from home often for the first time.

Sodexo at Gonzaga is committed to providing the highest level of **quality food and service** at a **great value**. All meal plans include meals in the Marketplace which offers all-you-care-to-eat dining. Students may join us for full meals or even to grab a quick snack or beverage on their way to class. All meal plans also include *Dining Dollars*. *Dining Dollars* are cash values that work like a pre-paid debit card with funds kept on the student's ID card. *Dining Dollars* may be used at all on-campus dining locations.

Gonzaga and Sodexo offer you a variety of **choices** for your meal plan. **Please review the options on the right and choose the plan that best fits your dining needs.** If you desire additional flexibility with off-campus options, you may want to add *Bulldog Bucks*, described to the lower right.

Please return this form to the Student Accounts office as soon as possible. In order for your Fall 2010 meal plan to appear on your fall billing statement, **Student Accounts must receive your information no later than Friday, June 18, 2010.** Meal Plan Selection forms can be dropped off at College Hall, Room 24, or faxed to (509) 313-6399, or mailed to PO Box 3463, Spokane, WA 99220.
