

Hello!

There are many new & exciting things happening in Campus Dining this fall & we want to make sure you know about them!

First off, the rumors are true! Panda Express will be on campus this fall in Cataldo. The construction crews are working hard & we will let you know as soon as we have the grand opening date. Students will be able to use their Dining Dollars or Bulldog Bucks at Panda as well as all other on-campus locations.

Spike's will expand hours to include dinner all week and 24-hour round-the-clock service on weekends. Features include a new diner menu and an expanded Freshens menu with smoothies and frozen yogurt.

Iggy's Pizza will have delivery service on campus and be available with Dining Dollars or Bulldog Bucks. Awesome deals on pizzas made using fresh ingredients can be yours by calling 509.313.PZZA (7992).

A new resident dining all-you-care-to-eat option will be available when the Marketplace Express opens in the Globe Room at Cataldo. The Marketplace Express will offer lunch from Monday through Thursday featuring hand-tossed salads, your favorite deli sandwiches, homemade soups, desserts and beverages. Yes, you can use your Marketplace "swipes" here.

The rest of the dining outlets will be open as usual- Crosby Cafe, Cherry Blossom, Crosby Simply to Go, Duff's Bistro, Tilford's coffee shop, Jazzman's, Barney's Cafe, Café Lawte, Freshens at the Fitness Center, Sodexo Catering Services and Concessions at sporting events. All are accessible with cash, credit, Dining Dollars and Bulldog Bucks. Several participating merchants at popular off-campus locations will accept Bulldog Bucks as well.

We also have a special Bulldog Bucks deal that you will want to check out asap. A 30% bonus will be given to anyone who opens a new Bulldog Bucks account this fall semester. That's \$65 of purchasing power by opening a new account with a \$50 deposit! Contact Sodexo offices to open one now at 509-313-6906.
